

# #Heroes4Isabel

Imagine being told your unborn baby could develop epilepsy, autism, Intellectual disability or kidney and brain tumours...

Isabel has TSC  
Tuberous Sclerosis  
Complex.

Her family live with  
this uncertainty  
every day.

...imagine not knowing  
how many of these  
would become your  
child's reality.

**Be a hero for Isabel. Purchase a raffle ticket or donate now.**
